

SOFTWARE DEVELOPMENT AND SERVICES AGREEMENT

1. PARTIES This Agreement is entered into by and between KCY A.S., located at Esentepe Mah. Buyukdere Cad. No: 195 Sisli, Istanbul (hereinafter referred to as the "CLIENT") and Ucanble Technology A.S., located at Maslak Mah. Sumer Sok. No: 4 Sariyer, Istanbul (hereinafter referred to as the "CONTRACTOR"), under the terms and conditions set forth below.

2. SUBJECT OF THE AGREEMENT The subject of this Agreement is the design, development, and integration of an artificial intelligence chatbot by the CONTRACTOR using the Gemini Large Language Model (LLM) infrastructure, intended for use in the internal and external communication processes of the CLIENT.

3. PROJECT SCOPE AND SOFTWARE REQUIREMENTS The CONTRACTOR is obligated to deliver the software meeting the following technical requirements during the term of the agreement:

- Integration of the Gemini API and enabling the model to communicate with the CLIENT's product database (using RAG architecture).
- Integration of the Chatbot as a widget into the CLIENT's existing website (kcy.com.tr).
- Optimization of the ability to understand and process user inputs in the Turkish language and respond using a corporate tone.
- Establishment of a server architecture capable of handling 10,000 active daily user requests without latency (maximum 2 seconds response time).
- Reporting of historical chat logs via an admin panel.

4. TERM AND DELIVERY The total duration of the project is 6 (six) months. The project start date is set as August 1, 2026, and the delivery and acceptance date as February 1, 2027. The CONTRACTOR is obliged to present the beta version of the project for the CLIENT's testing on November 1, 2026.

5. FINANCIAL PROVISIONS AND PAYMENT SCHEDULE The total budget of the project is determined as 5,000 USD (Five Thousand US Dollars), excluding VAT. Payments will be made according to the following schedule:

- 30% (1,500 USD) advance payment upon signing of the Agreement,
- 40% (2,000 USD) upon delivery of the beta version (November 1, 2026),
- The remaining 30% (1,500 USD) upon full and complete delivery of the project (February 1, 2027). Payments will be made to the CONTRACTOR's Garanti BBVA USD account with IBAN: TR12 3456 7890 1234 5678 9012 34.

6. INTELLECTUAL PROPERTY All copyright, usage, and ownership rights of the software developed under this Agreement belong to the CLIENT, provided that the project is completed and all payments are made in full. The CONTRACTOR reserves the rights to general software libraries and core algorithms used in the project.

7. CONFIDENTIALITY The Parties commit not to share trade secrets, customer data, and technical infrastructure information obtained from each other within the scope of this Agreement

with third parties. The anonymization of the data to be fed into the Gemini model is the responsibility of the CONTRACTOR.

8. TERMINATION CONDITIONS In the event that the CONTRACTOR delays the committed delivery dates by more than 15 days, the CLIENT has the right to unilaterally terminate the Agreement and request a refund of the advance payment. In the event that the CLIENT delays payments by more than 7 days, the CONTRACTOR may suspend the service.

9. DISPUTE RESOLUTION Istanbul Caglayan Courts and Execution Offices shall have jurisdiction over any disputes arising from the implementation of this Agreement.

10. EFFECTIVENESS This Agreement, consisting of two pages and ten articles, has been drawn up in two copies on July 29, 2026, and has entered into force upon being signed by the parties.
